## Introduction

Welcome to the results and averages for Kempford C.C. for the season 2006. This season saw some very hot weather and this always seemed to work against us (we always seemed to lose the toss and end up fielding in the hottest part of the day). You would have thought that the hot weather would mean less cancelled matches this season but the football world cup took many players and even some of the opposition away from us!

The usual caveat applies to these averages – they are only as accurate as the score book.
